A cost-effective alternative to traditional Term Deposits or Fixed Interest Investments

ABOUT US

Anglican Funds South Australia (AFSA) is an activity of the Anglican Church of Adelaide. We provide a range of investment products and services to Parishes, Anglican Schools, Anglicare-SA and Anglican Agencies who wish to support the work of these organisations.

Our investors receive competitive interest rates with funds Capital Guaranteed by the Anglican Diocese of Adelaide. All funds are invested according to the ethical investment guidelines of the Anglican Church of Australia.

We differ from other financial institutions in where our money goes. Through the support of our investors, AFSA is able to support the work of Parishes, Anglican Schools, Anglicare-SA and Anglican Agencies, with profits going directly back to these organisations.

By issuing AFSA Community Fund debentures, the Synod promotes the charitable purposes of the Anglican Church in the Diocese of Adelaide. Investment in the AFSA Community Fund directly increases the share of surplus generated by the AFSA community Fund. This surplus is distributed to Anglican Parishes and associated entities at the end of the financial year. The issue of debentures in the AFSA Community Fund also leads to a reduction in the marginal costs of raising external funds. This saving is passed on to Anglican Parishes and associated entities when they borrow from the AFSA Community Fund to undertake charitable activities within their communities.

The Term Investment Account provides investors with a guaranteed rate of return for a fixed term.

The Term Investment Account offers competitive interest rates for various terms. At the end of the term you have the option of either reinvesting all or part of interest earned or have it paid to into a bank account.

The Term Investment Account may be opened with as little as \$1,000 and can be added to at the completion of the term.

Supporting your Anglican Organisation

A key feature of the Community Fund Term Investment Account is clients can opt to further assist the work of an Anglican organisation of your choice.

Whether it be a Parish, School or Anglicare there are two simple ways this can be achieved.

1. Nomination

You can also nominate a specific Anglican organisation to receive surplus earnings from the operation of the Community Fund in the form of a participant distribution. There is no cost to the account holder for nominating the organisation and it doesn't alter the return from the investment.

2. Investor

Although greatly appreciated, the above is not compulsory. By simply choosing to invest with us it will be helping the religious, educational and charitable works of the Anglican community.

FREQUENTLY ASKED QUESTIONS

IS THE INVESTMENT ACCOUNT SECURE?

Yes. Your money is Capital Guaranteed by the Anglican Diocese of Adelaide and is managed to professional standards.

Anglican Funds South Australia (the Fund) is not prudentially supervised by the Australian Prudential Regulation Authority. Therefore, an investment in the Fund will not receive the benefit of the financial claims scheme or the depositor protection provisions in the Banking Act 1959. Investments in the Fund are intended to be a means for investors to support the charitable purposes of the fund.

HOW IS MONEY INVESTED?

Monies will be invested in a range of diversified cash products, and will also be used to support the work of Anglican organisations through loans managed by Anglican Funds South Australia.

HOW DOES MY INVESTMENT HELP THE ANGLICAN COMMUNITY?

An investment through Anglican Funds South Australia is supporting the religious, educational and charitable works of the Anglican community as well as helping in the provision of loans to Anglican organisations.

Surplus earnings from operation of the Community Fund are distributed in the form of a participant distribution to Anglican organisations such as schools, parishes, and Anglicare aiding and benefiting the wider social needs of our community.

AFSA products are only intended to attract investors whose primary purpose for making the investment is to support the Synods charitable purposes of the Anglican Church.

HOW DOES NOMINATION WORK?

Nomination is simple and there is no cost to select an Anglican organisation to receive a share from surplus earnings from the operation of the Community Fund in the form of participant distribution. The average credit balance of the account together with those of others who have nominated a specific Anglican organisation will be aggregated to calculate the proportional share of each relevant participant entitlement at the end of each financial year. An account with a credit balance as at June 30 is eligible for a share of the participant distribution.

DOES NOMINATION REDUCE MY EARNINGS?

No. The earning rates received from your investments are not reduced for distribution paid to nominated Anglican organisations as this is paid from surplus earnings from the operation of the Community Fund.

DOES NOMINATION NEED TO BE TO AN ANGLICAN ORGANISATION?

Yes. Only Anglican organisations such as Parishes, Schools, or Anglicare-SA are eligible to receive participant distributions from the Community Fund.

WHAT HAPPENS IF I DON'T NOMINATE AN ORGANISATION?

Nomination of an organisation is optional. If you choose not to nominate an organisation, any participant benefit is added to the surplus funds pool and distributed to Anglican organisations on the basis of the nominations made by other members.

CAN I GET ACCESS TO MY MONEY IN THE CASE OF AN EMERGENCY PRIOR TO MATURITY DATE?

Yes. However a reduction of 0.5% on the interest rate applicable to your Term Investment Account will apply.

There are no other fees charged to your account.

ARE THERE ANY FEES OR CHARGES?

No. A key benefit of having money in an Anglican Funds South Australia account is that there are no establishment, ongoing account keeping, or transaction fees or charges. We do however pass on third party charges such as bank dishonour fees on a cost basis.

DO I NEED TO BE AN ANGLICAN TO INVEST MONEY INTO ANGLICAN FUNDS SOUTH AUSTRALIA?

Yes. As described in the Identification Information document, only Associates & Retail associated clients may invest. Investments by individuals who are non-associated retail is not supported by AFSA.

WHAT HAPPENS IF I DIE?

For associated retail clients, as occurs with other financial organisations, if your account is in joint names then the surviving account holder may continue to operate the account in their name.

If the account is held in a single name, your monies will be paid to your estate once your executor has provided copies of your death and probate certificates. To assist in the payment of funeral expenses, on the production of your death certificate and funeral account(s), Anglican Funds South Australia will withdraw the amount required to cover these expenses and pay it directly to the organisations involved.

The balance of your account will be paid to your estate at the end of the term.

DOES ANYONE HAVE ACCESS TO MY PERSONAL INFORMATION?

No, other than employees of Anglican Funds South Australia who are required to comply with privacy laws. Under the *Privacy Act (Cth 2004)* your account(s) and personal details are kept confidential and are not available to others.

Except that, as with all other financial institutions, Anglican Funds South Australia is required to provide information to the Australian Taxation Office or other law enforcement bodies as legally required.

DO I NEED TO PROVIDE A TAX FILE NUMBER?

No. However Government legislation requires that Anglican Funds South Australia deduct taxation at the top marginal rate plus Medicare levy, from interest earned if a depositor does not provide a Tax File Number or ABN, or proof that they are a tax exempt entity.

WHAT HAPPENS TO MY ACCOUNT AT MATURITY?

Unless you have requested payment, your investment will be re-invested for a similar fixed term, at interest rates and on terms and conditions then applying.

TERMS AND CONDITIONS

TERM INVESTMENT ACCOUNT

Effective 1 June 2021

GENERAL

1. All investments are made with and will be administered by The Synod of the Diocese of Adelaide of the Anglican Church of Australia Incorporated of 18 King William Road, North Adelaide, South Australia 5006 ("the Diocese") in its capacity as the owner of Anglican Funds South Australia ("AFSA").
2. AFSA is not subject to the normal requirement to have a disclosure document or Product Disclosure Statement and be registered or have a trust deed under the *Corporations Act 2001* (Cth). AFSA has not been examined or approved by the Australian Securities and Investments Commission ("ASIC"). Further, neither the Diocese or AFSA is prudentially supervised by the Australian Prudential Regulation Authority ("APRA") and investments in AFSA are not deposits and do not obtain the benefit of the depositor protection provisions of the *Banking Act 1959* (Cth).
3. An investment in AFSA is designed for investors who wish to promote the religious and charitable purposes of the Anglican Church and who do not make investment decisions primarily based on considerations of profit.
4. Such investments are not specifically secured but repayment is supported by AFSA. Funds are capital-guaranteed by the Diocese. AFSA is guaranteed by The Synod of the Diocese of Adelaide of the Anglican Church of Australia Incorporated as trustee of AFSA, with the guarantee of investment backed by the substantial asset base of the Anglican Diocese of Adelaide. The liability of the Diocese to investors in AFSA is limited to the assets of the Diocese.
5. All profits derived from the activities of AFSA are used for the wider educational, charitable and religious work of the Anglican Church.
6. Investments are made within the ethical investment guidelines established by the Diocese. In keeping with the educational, religious and charitable purposes of the Diocese, investments are also used to make loans to parishes, schools, Anglicare-SA and other Anglican Entities.
7. The minimum acceptable initial investment and minimum balance to be maintained at all times depends on the type of account opened.
8. AFSA reserves the right to repay any or all investments (including interest) up to the day prior to the date of the repayment by giving you one (1) calendar month's notice of its intention to repay. Investments in a monthly income account will be repaid in whole or in part if you request repayment.
9. Investments are **NOT TRANSFERABLE**. Where a change of ownership is requested, AFSA will consider a request to invest the funds again in the new name.
10. AFSA reserves the right to refuse any initial investment without providing a reason for the refusal.
11. Investments can only be made by a negotiable instrument such as a cheque or fund transfer. Cash investments will not be accepted.
12. Additional investments can be lodged at any time except where funds are held in a Term Investment Account.
13. You can arrange for interest due on an investment to be added to the amount of your investment, transferred to your nominated bank account or gifted.
14. Interest is calculated on a daily basis from the date of receipt of monies by AFSA, provided that the relevant investment is received before 2pm on that day. When an investment is closed, interest will be calculated to the day prior to the date of repayment and then paid in full.
15. A signed withdrawal form or letter of request is the only authority required for you to make a withdrawal. You can provide a signed document to AFSA by email, provided that the signature(s) on the document are legible. This will enable AFSA to verify the signature(s) against its records. Requests for withdrawal of investments in joint names must be signed by the joint account holders unless authority has been given where only one joint account holder is required to sign.
16. AFSA will repay an investment by electronic funds transfer on the day that repayment of the investment is requested, provided AFSA receives the withdrawal form or letter of request by 10.30am on that day.
17. A withdrawal by electronic transfer will only be paid to the account holder(s) who is named on the signed withdrawal form or letter of request. No third party payments will be made.
18. In the event of your death, AFSA will pay the investment and accrued interest to your duly and properly appointed legal or personal representative upon that person's request. However, payment will only be made once AFSA is satisfied that all legal formalities have been completed.
19. You agree to fully indemnify the Diocese and AFSA against all loss suffered by the Diocese and AFSA as a result of your failure to observe these terms and conditions, or as a result of the Diocese or AFSA acting on your instructions.
20. The Diocese or AFSA is entitled to change or add to these terms and conditions at any time by providing you with written notice. If you are provided with such notice, you will be taken to have accepted the new terms and conditions in respect of all of your investments if you maintain your investments with AFSA.
21. By completing this application form, you agree to AFSA collecting and using the personal information you provide to us, to enable us to provide you with:
 - 21.1 the services you have requested;
 - 21.2 information about your investment(s);
 - 21.3 general information;
 - 21.4 information about AFSA and the Diocese; and
 - 21.5 information as required by law.

24. As provided in condition 15, interest will be calculated on daily balances. Interest will be paid in full on the date the investment matures and upon withdrawal unless AFSA notifies you otherwise.
25. A penalty interest amount of 0.5% will apply if you withdraw your investment from a Term Investment Account before the investment has matured.
26. Unless otherwise notified one (1) month before your investment is due to mature, your investment will be re-invested for a similar fixed term, at interest rates and on terms and conditions then applying.
27. On maturity, the Term Investment will automatically re-invest for the same period and at AFSA's standard prevailing Term Investment rate for the same term, should no maturity instructions prior to maturity received.
